Highlights

100% Ceramic Grinders

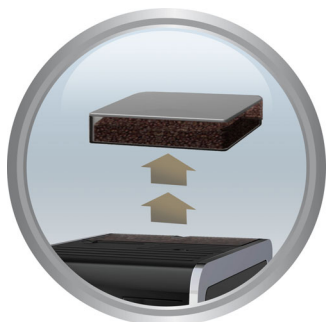

Our ceramic grinders never overheat, ensuring you a perfect grinding, long-lasting performance and totally silent operation

Adjustable grinder

5 adjustable grinding preferences, from the finest for a full bodied espresso to the coarsest for a lighter coffee.

Coffee beans switcher

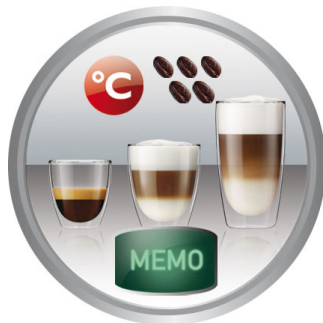

Changing beans is only one click away. Enjoy the pleasure of playing with beans and find the perfect fit for every preference and moment of the day.

Fully automatic rinsing

Easy maintenance, long-lasting performance and always the best result in the cup are ensured thanks to our fully automated rinsing and de-scaling program.

Memo function

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our Memo function with adjustable length, strength and temperature. Pressing a button is all you'll need to do to enjoy a superb beverage in your favourite cup.

One click removable group

The brewing group – a Saeco invention- is the heart of our machines, ensuring that the machine makes everything on its own. Thanks

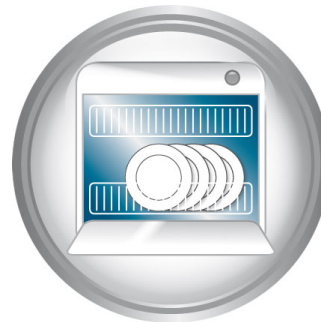

to its easy access, you can effortlessly remove it for regular cleaning with just one click.

Quick heat boiler

Our heating boiler technology is super-fast, allowing immediate brewing of each cup of coffee beverage one after the other.

Dishwasher-safe drip tray

You can comfortably put the drip tray in your dishwasher, giving it a perfect time saving clean.

Classic milk frother

Unleash your inner barista, preparing your delicious milk specialties the traditional way guaranteeing a gorgeous foam.
